

Heritage Classical Academy

recovering the past, restoring the future

Job Title: Latin Teacher (Grades 2-5)

Job Type: Part-Time

Department: Grammar School

Reports to: Head of School

OVERVIEW

Heritage Classical Academy provides an excellent Christ-centered classical education to the students of Stanly County. Starting with kindergarten in fall 2020 and adding a grade each year, Heritage Classical Academy is growing into a thriving K-12 school that cultivates kingdom citizens who will serve to rebuild, restore, and renew their families, their communities, and the generations, now and to come.

We have an opening for a Latin Teacher who desires to join a growing, learning, and vibrant Christ-centered classical school community. The ideal candidate will have a background in Latin, a willingness to learn and practice classical methods, and a commitment to integrating faith and learning. This position involves teaching Latin grammar, vocabulary, and translation skills while fostering an appreciation for the language's historical and theological significance. They will teach 30-minute blocks twice per week to students in grades 2-5 using our Latin curriculum, and teacher's availability will be considered when determining class schedule.

QUALIFICATIONS

Successful candidates will:

- Have a love for students, a passion for teaching, and embrace our school's Statement of Faith, Mission and Vision.
- Bachelor's degree in Classics, Latin, Education, or equivalent experience.
- Serve as a positive influence within the culture and community of the school and Stanly County.
- Maintain excellent time management, communication, and organizational skills.
- Possess a teachable spirit and be a life-long learner.

If you are interested in pursuing this unique opportunity, please send a letter of interest and résumé to amy.phibbs@myheritageclassical.com. Letters of interest should include what draws you to apply at Heritage Classical Academy, how your faith impacts your daily life, and how your education and past experience could be utilized at our school.
